

[Velocity Trade](https://velocitytrade.com) (<https://velocitytrade.com>)

Main offices: Toronto, Montreal, Amsterdam, Hamburg, London, Cape Town, Sydney
Focused on providing its institutional clients liquidity solutions and market access across a multitude of products including FX, CFDs, Equities, Fixed Income and Commodities.

Amsterdam office is looking for someone who has legal or GRC (governance, risk and compliance) study and/or experience and is interested in working for a licenced investment firm one (1) day a week.

Your primarily responsibility will be assisting the Compliance officer in tasks that range from financial crimes prevention, to risk management, to KYC, to regulatory engagement – every day can be a new challenge!

What you can offer:

- Ability to work one (1) day a week (minimum)
- Previous studies or currently studying law or GRC, preferably in the Dutch/European financial services. Management students with strong background or previous studies in law subjects are also welcome
- Keen interest in pursuing a career in financial services
- Fluency in both Dutch and English; third language highly regarded
- A commitment to learn and ability to work with minimal supervision
- Team mindset
- Can prioritise tasks and manage own time

What VTC will offer you:

- Opportunity to work for a rapidly growing firm in an exciting industry
- Mentorship and training; successful applicants will be encouraged to grow within the role and “make it their own”
- Flexible working arrangements; preference is for set days in the office, but VTC can and is flexible as needs be
- Chance to work in a historical location, Beursplein 5
-
